Dear Sir/Madam,

I am writing to express my interest in the software developer position as published on [umucyo.gov.rw](http://umucyo.gov.rw). As a software developer with a Bachelor's degree and experience in the banking industry, combined with skills in data structures and algorithms, Backend development Spring Boot and Hibernate, and mobile development, I believe I can make a valuable contribution to your organization.

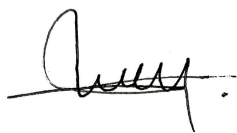

I have had an opportunity to work on different projects that have equipped me with a strong sense of security, compliance, and regulatory standards. I am meticulous in implementing stringent security measures to protect sensitive data and ensure compliance with industry regulations. I conduct thorough testing and adhere to coding best practices to create reliable and secure applications.

I have attached my resume for your review. I look forward to hearing back from you and discussing how my skills and experience can contribute to the success of your organization.

Thank you for considering my application.

Sincerely,

**IRAKOZE Blaise**
